JUNIOR TENNIS

The HK Parkview Junior Tennis Program is based on a 'learning-through-play' philosophy, which means that playing the game of tennis is the central feature of each session. Serve, Rally and Score! Smaller courts, lighter rackets and softer tennis balls make it possible to develop the junior's skills faster, while the red, orange, green and yellow stages offer a clear pathway. Guided by our highly qualified international team of tennis coaches, juniors are encouraged to develop at their own pace, moving on to the next stage when they are ready. A Performance program for our higher-level juniors is available with extended training sessions which include fitness and agility aspects. The Program also comprises a variety of options for match play and competition, both in in-house leagues, inter-club match play and in-house club championship events. All juniors in the program are provided with a twice yearly written assessment from their coach, so they are clear on how they are progressing with their game, and a junior player of the month award is presented each month.
