SWIMMING

By Splash Swimming HK

Swimming camps consist of 3 separate levels which are primarily divided by age. Students will be taught according to their individual swimming ability within the educational framework we have designed.

Blue Whale develops students' core skills, such as water familiarisation, breathing control, floatation, submersion and rotation. The skills Splash Swimming presents are essential to be 'Water Safe' and are the foundation for developing basic techniques for all 4 strokes.

Humpback Whale develops freestyle and backstroke techniques* and also provides a unique opportunity for students to learn lifesaving skills#.

Killer Whale develops butterfly and breaststroke techniques* and also provides a unique opportunity for students to learn lifesaving skills#.

#Lifesaving will take up the last 15 minutes of the class and will introduce methods of 'self-saving' alongside tools that can be used to save others.

*Depends on their level
